

Thank you for your interest in joining the Texas RACES organization.

Please fill out the State Races Application form and the Criminal History Disqualifiers form and be sure to attach a copy of your Amateur Radio License.

You may either mail or email the above information (my contact information is below). Scan the forms and your license if you wish to use email. Please make sure to use the most current forms (attached) as the State RACES office will not accept the older out of date forms. We have had a lot of confusion as there are a lot of the older forms posted on different web sites that are not current, so please use the attached forms to avoid delays.

Galveston County RACES Liaison Officer

Louis Petit, WB5BMB
